Replication	100% internal / dedicated links	Unknown
Regulation and compliance (NIS 2, DORA, ...)	Reports and KPIs	
Hosting	Luxembourg	Europe / USA / ...
Support and management team	Luxembourg and Belgium	Europe / USA / ...
	Partnership between the publisher and the host	X
	Available live by email and phone	Through generic channels
	SLA and response time	Standard
Special configuration requests (custom links, specific RTO/RPO, etc.)	✓	X

THE ADVANTAGES OF THE PRIVATE

SOVEREIGNTY

REDUNDANCY

SECURITY

AVAILABILITY

100% LOCAL
TEAM

- ◆ **SOVEREIGNTY:** your data is stored exclusively in Luxembourg
- ◆ **REDUNDANCY & HIGH AVAILABILITY:** our private cloud is hosted in Luxconnect's Tier IV data centers, with immediate redundancy between Bettembourg and Bissen.
- ◆ **AVAILABILITY:** Our solution has an availability rate of 99.995% and allows you to choose between SaaS or PaaS mode.
- ◆ **100 % LOCAL TEAM:** Our teams are based in Luxembourg and have been at your service for almost 25 years.

SECURITY :

- ◆ The private cloud is certified by the CSSF (Commission de Surveillance du Secteur Financier) and has ISO27001 certification.
- ◆ 24/7 cyber surveillance based on Artificial Intelligence and supervised by our local, specialized team
- ◆ DDoS protection

OUR CLOUD AND THE CSR

***By-doo, official partner and integrator of Odoo,
hosts the renowned Belgian ERP solution in our
data centers!***

- ◆ The heat produced by the data centers is recovered and used to cool the DC by 65%, with the remainder redistributed locally in the area
- ◆ IT equipment has recently been replaced to limit energy consumption and improve performance
